Special Educational Needs Policy

At Daisy Club Out of School Club we believe that children with disabilities are children first

- **sharing the same needs and desires as all children.**

We feel that where possible all children should share social and learning

- **experiences with their peers in local settings. Inclusion is a human right with benefits to all.**

- **Our aim is that all children will be happy in the Out of School Club environment with**

- **activities to suit individual needs and abilities . Inclusion teaches children and adults to accept and value everyone, whatever their**

- **differences, it challenges fear and prejudice.**

Parent partnership

We understand that parents/carers know their child best, and we are happy to learn from them about the unique needs of their child.

We would appreciate notification of any child who has a need in order for us to support and include the individual in every activity we plan.

Where we have a concern about any aspect of your child's development we will always talk to the parent/carer.

Special Educational Needs Policy

We understand that circumstances vary at home and at school and these can have an effect on children's learning, emotions or behaviour.

In conclusion, we aim to include all children into our Out of School Club activities regardless of their needs
